Dear Dr. Hashim:

Thank you for your letter of January 25, 1996 contributing 500 dollars to the 1996 Graduate Student Symposium, to be held April 12-14, 1996, at the University of Colorado, Boulder. The symposium committee greatly appreciates the generosity of your company, which has helped make the symposium possible year after year. As per your request, your donation will not be used to reimburse expenses incurred by participants from the industrial sector.

After the symposium is over I will be sending on a copy of the program for your records.

Thank you again,

Stephanie Mohr
